Blue Star Real Estate Services ERA Powered

Blue Star Real Estate Services is, in a word, Prescott. The company is 100% locally-owned and 100% focused on the Prescott area market.

Many of us grew up here and stayed because of our love for the people and beauty of the landscape. We know Prescott. We are Prescott. We welcome those who want to make Prescott their hometown, too.

For those looking to buy or sell in this market or who simply want to know more about the area, you won't find Agents with more local knowledge and professionalism than Blue Star Agents. We know the landscape better than anyone locally, and we have partnered with ERA, a global real estate powerhouse, to bring state-of-the-art technology and marketing to our Clients.

We are local, we are global, and we have an enthusiasm to share our passion for the area and to serve others. In fact, our motto is "A Passion to Serve".
